

Heart & Soul Art Studio Safety Plan

1. Heart & Soul Art Studio or Jenny Hare will not be responsible for illness, should your child become ill during a class. In addition, you will keep your child home if there are any signs or symptoms of illness. If your child attends class with any noticeable symptoms, I will have to contact you to come back to pick him or her up.
2. Hand sanitizer will also be available around the studio for the students as they need it.
3. Materials are not usually shared between students. They will have their own dedicated supplies for use each day, however, reusable materials are washed or sanitized after use.
4. Students have assigned seats for the duration of their session. They will be able to sit near friends they signed up with. Siblings will be seated next to each other.
5. Paint shirts that are provided will be laundered after each class.
6. Tables and chairs are covered in heavy duty plastic and are disinfected after each class. The bathroom, door handles, and other surfaces will also be disinfected after each class.
7. Student pick-up will be on the driveway, rather than down in the studio, to help limit the number of people in the studio. Students will watch for your vehicle to pull up. In the event of rainy or snowy days, students will watch for you out of the front door and wait for your vehicle to pull up. If you are new to the studio, you are welcome to walk your child in.
8. A map will be provided in an email to direct traffic around the block to alleviate congestion for my neighbors and allow easier access for kids to safely get into cars without crossing the street. There is plenty of parking along 149th Street to wait for the car line to move smoothly at pickup. Please do not block neighbors' driveways.
9. The beloved gumball machine is available to students! This is one of their favorite things! They are welcome to bring a quarter to class. Frames are also available in the studio for \$10.
10. Please initial the electronic release of liability form at www.heartandsoulartstudio.com under the Release of Liability tab.
