

Heart & Soul Art Studio Safety Plan

1. Parents will be asked to sign a waiver stating that they will not hold Heart & Soul Art Studio or Jenny Hare responsible for illness, should their child become ill during a class. In addition, they will keep their child home if there are any signs or symptoms of illness. If your child attends class with any noticeable symptoms, I will have to contact you to come back to pick him or her up.
2. Masks are not required, but please feel free to send your child in a mask if you prefer. I am fully vaccinated and will not be wearing a mask as I teach. Safety measures are still in place.
3. Upon arrival students will wash hands with soap and water. Hand sanitizer will also be available around the studio for the students as they need it.
4. Materials will not be shared between students. They will have their own dedicated supplies for use each day. Reusable materials are washed or sanitized after use.
5. Students will be seated socially distanced from other students and have assigned seats for the duration of their session. They will be able to sit near friends they signed up with. Siblings will be seated next to each other.
6. Paint shirts that are provided will be laundered after each class.
7. Tables and chairs are covered in heavy duty plastic and will be disinfected after each class. The bathroom, door handles, and other surfaces will also be disinfected after each class.
9. Student pick-up will be on the driveway, rather than down in the studio, to help limit the number of people in the studio. Parents, please wait for your child on the driveway or in your vehicle. Students will come out to find you. In the event of rainy or snowy days, students will watch for you out of the front door and wait for your vehicle to pull up.
10. A map will be provided in an email to direct traffic around the block to alleviate congestion for my neighbors and allow easier access for kids to safely get into cars without crossing the street. There is plenty of parking along 149th Street to wait for the carline to move smoothly at pickup. Please do not block neighbors' driveways.

From the neighborhood entrance at 147th & State, turn right onto Mormon, left onto 147th Ave, right onto Grebe, right onto 149th St, right onto Mormon. My address is 14871 Mormon St. Bennington, NE 68007. My neighbors have specifically asked you not turn around in the dead end please.

10. The beloved gumball machine is back! This is one of their favorite things! Frames are also available in the studio for \$10.
